Description

The 5123T Plastic Rectangular Basin is the transparent-body version of the 5123, measuring 320 x 250 x 110mm with rounded corners, a flared rim, and a printed graphic design on the interior wall.

The nestable design saves space when several basins are stacked together, and the reinforced rib at the bottom adds strength under load.

Available in a wide range of colours, this see-through basin suits washing, soaking, or general household use.

Features

- Strong and solid design
