Plastic Rectangular Basin with Steel Handle

Specifications

Model	5731
External Size	653 x 415 x 395 mm
Material	PP

Description

The 5731 Plastic Rectangular Basin with Steel Handle measures 653 x 415 x 395mm, built with solid walls, an open top, and galvanized wire bail handles on the ends for carrying.

The design is both nestable and stackable, and the reinforced rib at the bottom adds strength for heavier loads.

Available in a wide range of colours, this large basin suits bulk washing, soaking, or general storage and transport use.

Features

- Strong and solid design
- Comes with galvanized handle
- Nestable and stackable
- Thick wall
- Reinforced rib at bottom
- Wide range colours option
- Made of plastic, durable and safe to use
