Internal Bottom	585 x 385 x 405 mm
Material	PP
Nest / stacking	53 / 400 mm

BUTTERFLY
PLASTIC

5732

Description

This crate measures 690 x 498 x 415 mm. Internal capacity is 638 x 447 x 405 mm, narrowing to 585 x 385 mm at the base. It has fully enclosed solid walls, an open top, and wire bail handles on the ends. Fold-down wire handles let it switch between stacking and nesting. It has reinforced carry handles and is washable. Empty units nest down to 53 mm; loaded units stack at 400 mm.

This crate suits transportation and storage of larger loads where contents need to be fully enclosed rather than ventilated. It nests down for space when empty and stacks securely once loaded.

Features

- Fold-down wire handles for stack or nest
- Fully enclosed solid walls
- Reinforced carry handles
- Space-saving when nested
- Stackable when loaded
- Washable
