

PRODUCT DATASHEET

Plastic Round Tray with holes

Specifications

Model	5808
External Size	600 x 600 x 100 mm
Material	PP

5808

Description

The 5808 Plastic Round Tray with Holes measures 600 x 600 x 100mm, built as a round, wide, shallow tray with a fine perforated mesh pattern across the base and a molded tab handle on the rim.

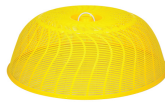

The tiny holes let air and liquid pass through, and the stylish design is made of plastic that's safe to use.

Available in a wide range of colours, this tray suits draining, sorting, or general kitchen use.

Features

- Stylish design
- Tiny holes
- Made of plastic, safe to use
