Description

The 600F Plastic Tea Plate / Food Tray measures 500mm across, built as a round flat plate with a printed floral and butterfly graphic design at the center.

Made of durable, food-safe plastic, it supports multi-purpose usage around the kitchen or dining table.

Available in a wide range of colours, this large decorative plate suits tea service, food display, or general serving use.

Features

- Round with flower vinyl design
- Multi-purpose usage
- Made of plastic, safe to use
