701

Description

The 701 is a round waste paper basket measuring 430 x 430 x 470mm, built with perforated mesh walls throughout for airflow around discarded paper and light waste.

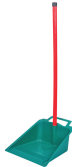

The round, nestable design saves space when several baskets are stored together, and the flared rim and strong, solid construction hold their shape under daily office or home use.

Available in a wide range of colours, sized for busy waste points that need a larger-capacity basket.

Features

- Round design
- Strong and solid design
- Nestable, fantastic space saving
- Wide range colours option
